# New Classes Newsletter

June 2011

After a long consideration we have decided on the allocation of classes / teachers for September 2011. The children will meet their new teacher on our **Transfer Day on 6<sup>th</sup> July** where they will spend the day familiarising themselves with their new classroom and year group expectations.

As well as the changes in classes for next year we are bringing in a change for this year in time for our Sports Day on **Friday 1<sup>st</sup> July**. In line with our Autumn & Spring Sports Competition days the children will be competing for their classes as well as houses. This means we require five houses and have leant heavily on the Olympic Movement for our choices. The increase also means more opportunities for children to compete and we can accumulate the scores from across a whole year of activities in order to ascertain the overall winning house. The children will stay in the houses for the full four years at the school.
